

Soul Winners for Jesus Christ

A non-denominational evangelistic association

Who We Are

Soul Winners for Jesus Christ is a growing, international network of witnessing Christians who are deliberately training disciples to reach the lost of the Miami Valley and abroad. We are actively communicating the gospel through open-air presentations, television, radio and the development of discipleship training materials. Soul Winners is committed to demonstrating God's love to those in our circle of influence. Those efforts include assisting single mothers, reaching out to the homeless and street-by-street evangelism.

Our Mission

To help others come to know the love of Jesus Christ. To promote witnessing, love and fellowship in the body of Christ in the Miami Valley and abroad.

Miami Valley Community Choir

The Miami Valley Community Choir, representing many different churches and diversity throughout the area, join in unity with local pastors inviting you to, "The Concert of Prayer", an evening of worship music and prayer.

Joining with the choir, Marluta, an experienced recording artist, songwriter, worship leader, guitarist, and pianist will be facilitating the worship music experience. She holds a master's degree in leadership and ministry from Regent University in Virginia Beach, VA.

Marluta recently released a new recording project with the title song called, "What If?" which is based on the scripture *II Chronicles 7:14*, "IF my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

Please refer to Marluta.com for more information.

The 11th Annual
Concert of Prayer for the Lost

The Concert of Prayer focuses on
 the Lost, The Church and our Community.

Join others for an evening of prayer to God the Father in the name of Jesus Christ for the specific needs of those people in our community who are in need of the Free Gift of Eternal Life. Also, the needs of the Church and Community will be addressed. **Organized prayer times will be led by local Pastors followed by interludes of praise and worship supported by the 50 plus voice Miami Valley Community Choir.**

Prayer will focus on the souls of individuals whose names were placed onto a prayer card and placed in Gold Boxes who are in need of the Free Gift of Eternal Life. The boxes were located in churches throughout the Miami Valley prior to this event. Prayer also will center on the needs of the Body of Christ, including: the unconditional surrender to the Lordship of Jesus Christ, Biblical Unity for The Church, the needs of the persecuted Church and the need to communicate the Gospel to all nations.

Prayer for our community and country will be emphasized too, especially for the Greater Dayton area's crime rate; for the safety and success of our troops; for the economic health of the Miami Valley; and for our government.

37 churches participated last year.
